**Nutritional Disclaimer**

The nutrition information on this website is derived from the following: testing conducted in accredited laboratories, USDA Nutrient Database and information provided by White Castle's suppliers.

Nutrition information is based on standard product formulations. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, product assembly at the restaurant level, and/or season of the year. Some limited time offers, test and regional items may not be included. Some menu items may not be available at all restaurants. Nutrition calculations follow federal regulations regarding the rounding of nutritional data.

White Castle System, Inc., its subsidiaries and employees do not assume responsibility for a particular allergy or sensitivity to any food provided in our restaurants. Federal regulations have identified 8 major food allergens: milk, eggs, wheat, soybeans, peanuts, tree nuts, fish, and crustacean shellfish. For your convenience, menu items and ingredients that contain these major allergens have been indicated. All food is prepared in common kitchens that may involve some shared cooking and preparation areas, equipment and utensils, and the possibility exists for your food items to come in contact with other food products, including allergens.

Federal regulation has exempted from allergen declaration any highly refined oil derived from the major food allergens; therefore, soy oil as an ingredient is not indicated as an allergen. Please consult your Doctor to know if you should avoid products that contain highly refined soy oil.

If you have specific questions regarding White Castle and nutrition or are particularly sensitive to specific ingredients or foods, please contact us at 1-800-THE-CRAVE (1-800-843-2728).
